“Those who look closely soon have the **key to this strange paradox**. The A.A. member has to conform to the principles of recovery. His life actually depends upon obedience to spiritual principles. If he deviates too far, the penalty is sure and swift; he sickens and dies. At first, he goes along because he must, but later he discovers a way of life he really wants to live. Moreover, he finds he cannot keep this priceless gift unless he gives it away. Neither he nor anybody else can survive unless he carries the A.A. Message.”
