Albuquerque AA Intergroup Central Office Newsletter

505.266.1900

The great fact is just this, and nothing less: That we have had deep and effective spiritual experiences which have revolutionized our whole attitude toward life, toward our fellows and toward God's universe. The central fact of our lives today is the absolute certainty that our Creator has entered into our hearts and lives in a way which is indeed miraculous. He has commenced to accomplish those things for us which we could never do by ourselves.

- *Alcoholics Anonymous* (The "Big Book"), There Is A Solution, pg 25

Step 3 Made a decision to turn our will and our lives over to the care of God as we understood Him.

Tradition 3 (Short Form) The only requirement for AA membership is a desire to stop drinking. **(Long Form)** Our membership ought to include all who suffer from alcoholism. Hence we may refuse none who wish to recover. Nor ought A.A. membership ever depend upon money or conformity. Any two or three alcoholics gathered together for sobriety may call themselves an A.A. group, provided that, as a group, they have no other affiliation.

Concept 3 (Short Form) To insure effective leadership, we should endow each element of A.A. —the Conference, the General Service Board and its service corporations, staffs, committees, and executives—with a traditional "Right of Decision".

(Long Form) As a traditional means of creating and maintaining a clearly defined working relation between the groups, the Conference, the A.A. General Service Board and its several service corporations, staffs, committees and executives, and of thus insuring their effective leadership, it is here suggested that we endow each of these elements of world service with a traditional "Right of Decision".

WHAT'S MY PART?

A POSITIVE APPROACH TO THE GSR POSITION

On February 22, Districts 3, 11, 12, 13, 17 and 18 joined forces to host a workshop which focused on the service responsibilities of the GSR position. 78 people attended travelling from as far away as Aztec, Gallup and Magdalena! The attendees included GSRs, DCMs, our present Area 46 Delegate, Jen N., several past delegates: Betty P., Dick C., George B., Ralph T., and Alan S.; and AA members interested in knowing more about service. A special treat was having District 17, one of our Spanish speaking districts, participate with translation help from our Area Bilingual Committee.

After a lunch of pizza, salad and a potluck of delicious desserts, we opened the workshop with some general remarks about the GSR job and then broke into 9 small groups which were facilitated by one of the delegates. Each group received a different question to discuss. The questions concerned such topics as the GSR's willingness to be a leader, his or her availability to attend district and area meetings, what are our groups' expectations of the GSR, and the importance of knowing AA history. The room was buzzing with animated discussion about these topics. Afterwards a note taker from each group reported on his or her group's conclusions. A question and answer session and a drawing followed.

The host committee learned at least two important things from this experience. First, that by having several districts work together, we could not only share the workload, but also provide a number of nice amenities. We raised \$350 from our districts to pay for rent, lunch, pamphlets and literature. Second, we realized that there is a real need for workshops like this. Those who attended were eager to learn more about GSR service and to share their thoughts and concerns with other trusted servants. We hope this will become a regular event at the beginning of each rotation!

We thank all who attended, helped, facilitated or translated. Special thanks go to Rosie F., our Area Registrar, for her assistance to the committee in obtaining a venue and sound equipment, and registering attendees, and to Ana Z. who assisted our Spanish speakers.

FROM THE EDITOR'S DESK

My apologies for inadvertently publishing a few last names in the Intergroup Rep meeting minutes in last month's issue. While there were some extenuating circumstances contributing to this breach of anonymity, the fact remains that I am editor and responsible for what gets in to print - it was my fault and won't happen again.

Central Office Steering Committee vacancies: Central office steering committee still has 3 unfilled positions: Intergroup Liaison, Special Needs Coordinator and Community Outreach (formerly known as Public Information). Details on the steering committee and the open positions are available at: <http://albuquerqueaa.org/service.html> or by emailing Chair@albuquerqueaa.org for more information. This is an excellent way to participate in service work that impacts the whole Albuquerque area.

The **Sobriety Birthday Calendar** (page 5) seems to be growing as far as how many submissions are coming in, but I know there's a lot more sobriety than is being commemorated in the calendar. And there are a lot more than 6 groups in the 5 Albuquerque Area districts. Step up and be your group's PIO Sobriety Birthday Calendar representative. Let's grow this calendar. Step up and submit your home group's sobriety birthdays. Details on submitting sobriety birthdays can be found at the bottom of the Sobriety Birthday Calendar on page 5.

Article submissions by local AA members are highly encouraged - and, to me at least, are often more interesting/inspiring than reprints of stale oldies. If you'd like some ideas for articles, please email Steve at: PassItOn@albuquerqueaa.org. PLEASE follow the guidelines by making your best effort to keep it to 750 words or less.

SUBMISSIONS for PIO publication (articles, stories, announcements, flyers, sobriety birthdays, etc.), letters to the editor, questions, comments, suggestions and criticism are always welcomed at PassItOn@albuquerqueaa.org and will receive a prompt reply and appropriate consideration for publication.

The Third Step Prayer

from page 63 of the Big Book of Alcoholics Anonymous

God, I offer myself to Thee-
To build with me
and to do with me as Thou wilt.
Relieve me of the bondage of self,
that I may better do Thy will.
Take away my difficulties,
that victory over them may bear witness
to those I would help of Thy Power,
Thy Love, and Thy Way of life.
May I do Thy will always!

Tradition Three

The Third Tradition is a sweeping statement indeed; it takes in a lot of territory. Some people might think it too idealistic to be practical. It tells every alcoholic in the world that he may become, and remain, a member of Alcoholics Anonymous so long as he says so. In short, Alcoholics Anonymous has no membership rule.

Why is this so? Our answer is simple and practical. Even in self-protection, we do not wish to erect the slightest barrier between ourselves and the fellow alcoholic who still suffers. We know that society has been demanding that he conform to its laws and conventions. But the essence of his alcoholic malady is the fact that he has been unable or unwilling to conform either to the laws of man or God. If he is anything, the sick alcoholic is a rebellious nonconformist. How well we understand that; every member of Alcoholics Anonymous was once a rebel himself. Hence we cannot offer to meet him at any halfway mark. We must enter the dark cave where he is and show him that we understand. We realize that he is altogether too weak and confused to jump hurdles. If we raise obstacles, he might stay away and perish. He might be denied his priceless opportunity.

So when he asks, "Are there any conditions?" we joyfully reply, "No, not a one." When skeptically he comes back saying, "But certainly there must be things that I have to do and believe," we quickly answer, "In Alcoholics Anonymous there are no musts." Cynically, perhaps, he then inquires, "What is this all going to cost me?" We are able to laugh and say, "Nothing at all, there are no fees and dues." Thus, in a brief hour, is our friend disarmed of his suspicion and rebellion. His eyes begin to open on a new world of friendship and understanding. Bankrupt idealist that he has been, his ideal is no longer a dream. After years of lonely search it now stands revealed. The reality of Alcoholics Anonymous bursts upon him. For Alcoholics Anonymous is saying, "We have something priceless to give, if only you will receive." That is all. But to our new friend, it is everything. Without more ado, he becomes one of us.

Our membership Tradition does contain, however, one vitally important qualification. That qualification relates to the use of our name, Alcoholics Anonymous. We believe that any two or three alcoholics gathered together for sobriety may call themselves an AA group provided that, as a group, they have no other affiliation. Here our purpose is clear and unequivocal. For obvious reasons we wish the name Alcoholics Anonymous to be used only in connection with straight AA activities. One can think of no AA member who would like, for example, to see the formation of "dry" AA groups, "wet" AA groups, communist AA groups. Few, if any, would wish our groups to be designated by religious denominations. We cannot lend the AA name, even indirectly, to other activities, however worthy. If we do so we shall become hopelessly compromised and divided. We think that AA should offer its experience to the whole world for whatever use can be made of it. But not its name. Nothing could be more certain.

Let us of AA therefore resolve that we shall always be inclusive and never exclusive, offering all we have to all, save our title. May all barriers be thus leveled, may our unity thus be preserved. And may God grant us a long life -- and a useful one!

"Helping others is the foundation stone of your recovery. A kindly act once in a while isn't enough. You have to act the Good Samaritan every day, if need be. It may mean the loss of many nights' sleep, great interference with your pleasures, interruptions to your business. It may mean sharing your money and your home, counseling frantic wives and relatives, innumerable trips to police courts, sanitariums, hospitals, jails and asylums. Your telephone may jangle at any time of the day or night."

- *Alcoholics Anonymous* (The "Bog Book"), page 97

We were in a position where life was becoming impossible, and if we had passed into the region from which there is no return through human aid, we had but two alternatives: One was to go on to the bitter end, blotting out the consciousness of our intolerable situation as best we could; and the other, to accept spiritual help.

- Alcoholics Anonymous (The "Big Book"), There Is A Solution, pg 25

Central Office encourages all groups to elect an Intergroup representative. Join us at the next Intergroup meeting the second Sunday of every month, at 2 pm, at the Brownbaggers.

Announcing the **75th**

Anniversary edition of the Big Book

AA World Services, Inc. has announced the publication of the only authorized reproduction of the first edition of *Alcoholics Anonymous*. This new edition will be a faithful replica of the original, with the famous "circus cover" dust jacket and bulky paper (which is why it was initially called the Big Book). The founders wanted the thickest paper to make certain "the members were getting their money's worth."

To commemorate the 75th anniversary of the historic publication of *Alcoholic Anonymous* in April 1939, the 2013 General Service Conference approved the creation of this facsimile edition of the first printing of the first edition.

Preorders: Starting November 15, 2013 you may preorder copies from the Central Office at 1921 Alvarado Drive for \$18, saving \$4 over the cost of a single copy if ordered directly from AAWS. You will receive a certificate suitable for gift-giving to be redeemed when the books become available in April 2014. It would be a great gift for the special AAs in your life. Celebrate AA Big Book 75 years and support your local Central Office!
